KYBER DIGITAL

ABOUT

Kyber Digital is a marketing and business development firm focused on creating long-term strategies to help their industrial construction clients stand out from the competition.

GOALS

The Kyber Digital team needed an effective and reliable partner to help meet their clients' PPC needs. They wanted to be able to put their full trust in an outsourced partner, so that they would have more time to focus on client brand strategy and to grow in other ways.

SOLUTIONS

Kyber Digital partners with us to provide their clients targeted display advertising solutions.

RESULTS

The Kyber Digital team has been extremely pleased with the influx of business LOCALiQ solutions have driven for their clients. They trust LOCALiQ technology to optimize campaigns for the best results and rely on our marketing experts to constantly monitor campaigns and help strategize. Partnering with the team has allowed Kyber Digital to focus on scaling their offerings and taking their business to new heights.

“The relationships with our reps have been invaluable. Being a data analyst myself, it’s such a relief to know that the reps working on our campaigns are constantly improving the campaigns because they’ve been trained the right way.”
